Dear Judge Furman:

The Government respectfully writes pursuant to the Court's February 1 oral Order to update the Court and the defense regarding the status and/or existence of foreign discovery. To date, the Government has not identified any physical evidence (including recordings of intercepted communications) or documentary evidence currently in the possession of a foreign country that it intends to present as evidence against the defendant. If anything changes in this regard, the undersigned promptly will notify both the Court and defense counsel.

As always, the undersigned are available to answer any questions the Court may have.

Respectfully submitted,
